

\$5000 PROJECT PROPOSAL RE-STOCKING FEMAL GOATS

Prepared by Obonyo Tom Fred

ACDA propose that the fund should be used for re-stocking the animals (female goat). This shall make the community to start forgetting about the suffering they have had through the 17 years of conflict and what they have lost to Karamojong, LRA, Sudan's and NRA (UPDF). 17 years of conflict has made many people lost their animals to arms groups in the region.

AIMS

- 1- To let the community start new ways of life and forget about the past;
- 2- All the community shall benefit from this project through the students;
- 3- The first born female goat shall be passed to anther student;
- 4- The project shall only target on the students of the schools in Agoro
